Subject: FY 2005 COPS Allocations

Enclosed please find your FY 2005 COPS allocation check, as well as a document from the County Controller relating to the calculation and disbursement of this year's allocation.

Agencies should place their proposed FY 2005 COPS Spending Plan on the agenda of their local council for public hearing. COPS appropriations must be used to fund front line law enforcement. Once the spending plan for the fiscal year has been adopted, the agency cannot change the plan.

Please forward a copy of the council-approved spending plan to my attention in the Office of the District Attorney for review and certification by the local Supplemental Law Enforcement Oversight Committee. The Oversight Committee plans to review the spending plans in January 2005.

If you have any questions, please feel free to call me at (408) 792-2704.
